### THE OKEMOS COMMUNITY

The Okemos Public School District is within close reach of the State Government and Michigan State University. Because of its location, the community has experienced many educational, cultural, and economic benefits.

Approximately three-quarters of our students' parents have advanced degrees and are employed in professional careers. Demands and expectations of our predominantly upper-class professional community exceed those found in a majority of public school districts in the state. In 2022, *The US News and World Report* placed OHS as 16<sup>th</sup> best high school within Michigan. Niche has ranked Okemos Public Schools as the 9<sup>th</sup> best public high school in Michigan.

### ACCREDITATION

Okemos High School is accredited by AdvancEd.

### ENROLLMENT

Okemos has an enrollment of 1,529 students in grades 9-12. The student body represents diverse ethnic, racial and religious groups with the following breakdown: 11% African-Americans, 24% Asian-Americans, 58% Caucasians, and 5% Hispanic/Latino-Americans.

### COURSE/SCHEDULE INFORMATION

Students can earn 6 credits per year. Honors Physics is the highest level non-AP course available. Honors classes are only available in math and physics. The OHS student to counselor ratio is approximately 383:1.
