How to Come Ready for the First Day of School:

Binder and Composition Notebook: Please label your child's notebook and binder with first and last name.

Inside Your Pencil Box OR Pouch: Please put all individual supplies listed on the front page inside the pencil box.

Classroom Supplies: Please put the community supplies in a bag to give to your child's teacher at Open House prior to school beginning or send with your child the first week of school.

Parent Emails: Please make sure parent emails have been updated or provided to the office so they can put them in PowerSchool. This is how we make our class email lists.

We look forward to a great year with your third grader!
Thank you in advance for your amazing support!
