

BYLAWS OF THE BOARD**Selection of an Auditor**

The board of education shall annually select, in July of each year, an auditor to audit all financial records of the district for which the board is directly or indirectly accountable. A written report shall be submitted after all records have been audited, along with any recommendations that are pertinent to the financial and/or management operations of the district.

The board of education, at its discretion, may authorize the performance of other financial services by its auditor or may retain additional financial services.
