Student name \_\_\_\_\_

### Concepts to be stressed

1. Oral proficiency, including classroom discussion.
2. Review of major grammatical constructions.
3. Composition, including formal essays.
4. Current events and culture.
5. Literature – both novels and short stories.

Prospective AP candidates should have a B/B+ average in French IV or an A in French III and commit themselves to being participating members of the class. Attitude, study habits and regular attendance are extremely important. Some concepts such as grammar will be explained in English, but most of the class will be conducted in French.

The AP exam will be administered the first week in May and is mandatory.

Juniors are not prohibited from taking AP, but should understand that they are skipping an entire year of the curriculum. The chances of success are greater if AP is taken as a fifth year student in the senior year.

## FOR PARENTS OF ADVANCED PLACEMENT STUDENTS

Okemos High School offers the Advanced Placement Program of studies for talented students who are capable of doing college level work. There is an application/selection process for admission to each Advanced Placement course. Students who take Advanced Placement courses are required to take the Advanced Placement Examination in that area which is given annually in May. The Advanced Placement exam is an integral part of the Advanced Placement course, and the content of that exam shapes the framework of the course. Students taking Advanced Placement courses are making a commitment to excellence, and the Advanced Placement Examination provides both a unity of purpose and the measure of integrity of the course experience. Fairness to all (the others in the class, the teacher, and the colleges seeing AP on a transcript) decrees that all students complete the requirements of the Advanced Placement course by taking the Advanced Placement Examination.

There is an Advanced Placement Examination fee that the student must pay. However, there is a fee waiver provision for any student who may have difficulty paying it. If a student has difficulty paying the fee, Mrs. Akers in the Counseling Office should be contacted and arrangements to discuss fee reduction or waiver will be made. Each year the College Board provides fee reductions for candidates who are unable to pay the full fee for each Advanced Placement AP Examination. Available funds are limited. Therefore, fee reductions should be requested only for those students whose financial needs are clear. The basic guidelines for financial need is membership in a low-income family.

**The fee for the Advanced Placement exam is due in September 2020. If the payment is not submitted by the due date, a late fee will be applied to each exam fee.**

**If a student withdraws from an Advanced Placement course, the colleges and universities to which the student has already applied will be informed of the change in the student's schedule.**

**I have read the above statement and agree to abide by it.**

If a student fails to apply for an advanced placement course by the February deadline, that student's approval for AP enrollment will be based on the same criteria required of the February deadline but may also be limited by seat availability. (The number of sections offered is determined by on-time applications.) Late applications should be submitted to the AP teacher who will then conference with the advanced placement committee to determine whether or not the late applicant will be placed on the approved list. Placement on the "approved list" does not ensure placement in the course if seats are not available. Therefore, it is highly recommended that students meet the AP application deadline.
