SCHOOL AGE SCHEDULE OPTIONS

REGULAR SCHEDULE This option is best *if your schedule doesn't change*. This schedule requires a **minimum of two days per week per program**. For example: You need Monday, Wednesday, and Friday after care and/or Tuesday and Thursday before care. You are only allowed two (2) permanent schedule changes per school year. More than two (2) schedule changes in a school year will incur a \$25 fee per change. We require 5 business days processing time for starting a program and any schedule changes. Trading or switching of days is not allowed. Adding days is permitted at the Director's discretion. **Payment is due on the 25th of the month preceding care.**

FLEX CALENDAR This option is best for those whose *schedule changes monthly but you know your schedule at least a month in advance*. Those needing eight or more days per program will be charged the regular rate. Those calendars with less than eight days per program will be charged \$1.50 more per day per program. Calendars are sent on or around the 25th of the month and are due on the 5th of the month preceding care. For example: December calendars are due on November 5th. Late calendars will only be accepted through the 10th of the month preceding care and will incur a \$15 late fee. Trading, switching, or canceling of days is not allowed once the calendar is submitted. Adding days is allowed at the Director's discretion. **Payment is due on the 25th of the month preceding care.**

ADDED DAYS This option is best if you *only need occasional care, care for a short period of time, your days of the week change every week and you don't know your schedule at least a month ahead of time, or you just need to add a day*. You must contact the Director at least 24 hours in advance to make sure there is adequate staffing and supplies available for your child to safely attend. Requests for dates needed must be submitted to the Director in writing (email is sufficient). This option provides more flexibility but *the program may be full on a day needed*. **Charges will be applied to the next month's bill. Once a day is approved and reserved, you will be charged for that day regardless of your child's attendance. This is because we have staffed and planned for your child to attend based on your reservation.**

SUPERSAVER This option is best if you *need every before care and every after care for the entire school year*. *Full days off school, Winter Break, and Spring Break are not included. This program is a **full-year commitment**. The Early Release activity is not included in this program and requires separate registration through the Community Education office. Snow Days are also not included in this rate and require separate registration. This option is **only available before the school year starts, includes a 3% discount, and requires 9 equal payments from August through April.**
